Notice is hereby given that the U.S. Department of Veterans Affairs (VA) and the State of Hawaii Department of Defense propose a project to expand and improve the Maui Veterans Cemetery. This project is federally funded and is considered to be a federal action and undertaking as defined by Section 106 of the National Historic Preservation Act (NHPA) of 1966, as amended (2006). The project is located in Makawao on the island of Maui as shown in the inset plan below. The project proposes a 10-acre expansion of the existing 7-acre cemetery and involves the construction and installation of 500 double-depth in-ground precast concrete crypts, 308 in-ground precast cremain units, Maintenance facility with soil storage bins, 30,000-gallon water tank, flag assembly area with flag poles, entry gate and sign, paved visitor parking and access roadway, ornamental and chain link fencing, landscape planting and grassing, irrigation system, and other related improvements. The area of potential impact is approximately 2-acres.

Pursuant to Section 106 of the NHPA, the public is invited to attend an informational meeting that will be held at the Hawaii Army National Guard Puunene Armory, located at 2701 Mokulele Highway, Kihei, Hawaii, on December 13, 2016 from 6:00 PM to 8:00 PM.
